The 5 Star Vegetable class in the Autumn Show.

This is an ideal class for any vegetable grower as all you do is enter any 5 different vegetables- whatever you like to grow! **One** specimen of each. Large and small onions allowed as well as long and stump carrots rooted carrots. Judged on quality with up to 10 points per specimen.

Handy hints for staging flowers.

1. Flowers that are arranged symmetrically and face the judge square on are always going to be noticed more than those that twist away. Try rotating the flower head so that symmetry is achieved.
2. An exhibit that has 2 or 3 leaves in the vase will (providing it is neatly 'staged') normally prevail over an exhibit of equal quality that does not have foliage.
3. A daffodil flower should be carried at a near right angle to the stem.
4. A clean flower free of blemishes, of good colour and substance is the aim and symmetry on an individual basis and amongst the 3 exhibits together with uniformity should always be sought.
